## TAZH Training Terms & Conditions:

As soon as the training plan for the season is done, you will receive your training time and the bill by e-mail. The bill has to be paid within 3 weeks. If you wish to pay in 2 or more payments, please send us a short request by e-mail or note it on the application form already. In case the bill was not paid in time, the players can be excluded from the training until the payment was received.

The coaches will make the final decision which player will fit best in which group, but of course you can make requests on the application forms.

In case it is necessary, we can still make changes to the groups and training times during the season and will use the same training times you gave us on the forms.

Players that do not follow the instructions of the coaches can be excluded from training without receiving a refund.

In case you miss a training class, we can not refund the money or guarantee to give you a time to make up for the lesson, but we will try our best to do so. For One-On-One Training Courses you are guaranteed to make up for 1 lesson, that you have missed, but you have to pay the additional court fees). In case you can not attend a course for a longer time period (because of injury, relocation, work, etc.) you can give (or sell) your training time to somebody else. But he needs to fit into the group and it is the final decision of the coaches, to accept the substitute.

We don't take any responsibility for injuries or accidents occurring during, or on the way to a training session. Insurance is the responsibility of each participant.

The TAZH disclaims any liability.

The application for the training courses is binding and can only be cancelled under the following circumstances and cancellation fees:

1. If you cancel your application after the application deadline, you have to pay a cancellation fee of 50% of the total training fee.
2. If you cancel your application after the training plan was made, you have to pay 75% of the total training fee.
3. Once the season has started, you can not cancel your application anymore and have to pay the full training fee.

(No matter what reason (injury, relocation, work etc.) you would like to cancel you application for)

By signing the application form you accept our training terms & conditions.

We thank you very much for your application at TAZH and hope you will enjoy your training and improve your game with us as much as you want.
